

Fayetteville YMCA SEA Dragons  
2717 Fort Bragg Rd.  
Fayetteville, NC 28303

Dear

The Fayetteville YMCA Sea Dragons (SEA) appreciates your support as we develop responsible young men and women, primarily ranging in age from six to 18, who are dedicated, can set goals and are willing to work hard to achieve them.

Your donation is an investment in our community's future! The athletes involved in our program train six days a week, along with maintaining satisfactory levels of achievement in the classroom.

In addition to their activities in the pool, these young men and women serve as role models for their peers, as well as encouraging and fostering participation in the sport of swimming .

Your donation to SEA will enable our organization to continue its positive influence on many young athletes in the area. Although each member pays a monthly membership fee, it is not enough to cover all the expenses with running such an organization. With your help we can continue to grow a sport that makes better citizens for our community.

**Who we are and our mission statement:**

SEA is a non-profit, 501-C(3), year round USA swim club that trains 11 months of the year at the Fayetteville YMCA. *SEA is dedicated to the individual and team development of excellence in competitive swimming while helping individuals realize their potential and build skills for future life challenges.*
